

# Mi5 SUMMERCAMP

## What?

For us, the **modern company ITQ**, education and working with students is important. That's why we established **Project Mi5**.

With the Summercamp students receive the possibility to work on new technologies concerning **Smart Home, Smart Living, Smart Garden, Smart Mobility**.

## When?

25<sup>th</sup> - 30<sup>th</sup> September 2017

## Where?

**Gran Canaria** offers the ideal location to relax – and **boost creativity** at the same time!

Enjoy the summer of your life with **20 international students** in a villa for free!

# LiFE4

## HOW TO REGISTER?

You are a **creative student**? You like to develop and build new prototypes?  
**Smart Home** and **Green Energy** are the most interesting topics for you?

Than apply for one of our **limited seats** for the Summercamp!

Find the **registration form** on our homepage at [www.projectmi5.com](http://www.projectmi5.com)

Be fast and creative! There are only limited seats and the competition is hard.
